

**TAKE A PHOTO TO DEMAND
THE GOVERNMENT:**

PUT EDUCATION BEFORE DEBT

Around the world, unjust debt is draining money away from children's futures. As the UK prepares to take on the G20 presidency, we have a chance to send the government a clear message: put debt justice at the top of the agenda.

Will you help make that message impossible to ignore?

1

On a piece of plain white paper, write **EDUCATION BEFORE DEBT** in large letters.

2

Ask someone to take a photo of you holding your sign. Get as close as possible and make sure the words are easy to read.

3

Share your photo! You can either:

Post it on social media and share your own message to the government. Be sure to **tag @debtjustice** so we can see and share it.

Email it to us at **info@debtjustice.org.uk** and we'll share it on our social media channels as part of our message to the government.

Every photo helps show the government that people across the UK don't want them to fail their biggest assignment on debt in decades.
